

NOW HEAR THIS...

Coach Josh Dodson dispenses some game strategy to the sr.-soph. girls during a time out. Each year the high school girls look forward to this evening of fun, despite all the bumps, lumps, and bruises.

AND THERE'S THE FINAL BUZZER

In their last game, the seniors made it a memorable one by going through their entire high school career undefeated. This was the only time it has ever happened for a Powderpuff team at RWA.

OUT OF THE END ZONE

Kicker Hannah Morgan boots another kick down the field for the Beauties. Hannah's soccer skills helped her considerably when it came to kicking the football.

IT'S LIKE A TRICK PLAY

Ellen and Holly Twitty run the play. The Beauties ran a good offense, but weren't able to punch it in the end zone.

RAH RAH!!

The Beast cheerleaders cheer and chant for their fellow ladies. The lower school girls enjoyed this time of showing their school spirit.
