YOU MIGHT BE A REDNECK IF...

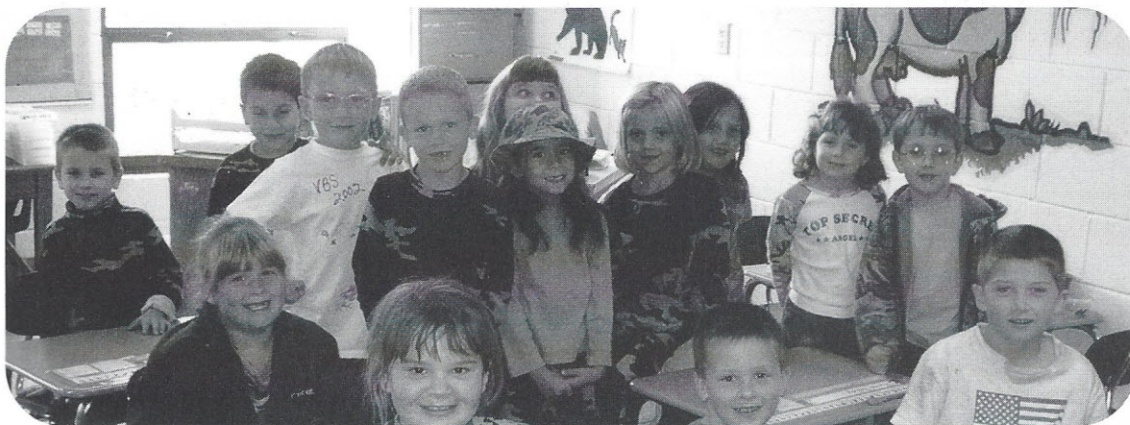

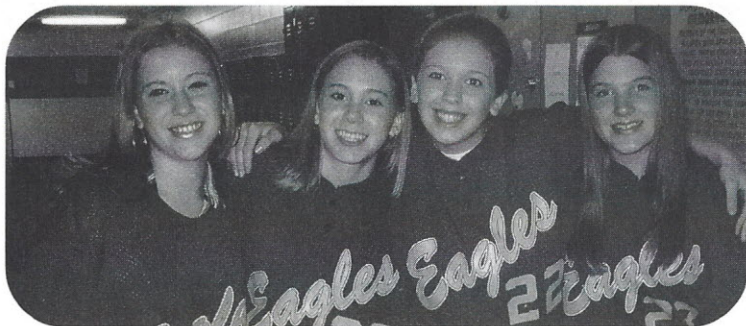

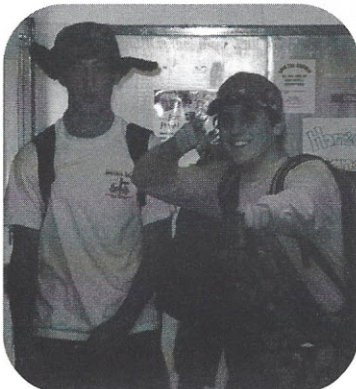

William Ladd and Boyd Brown show their excitement during Spirit Week on Camo Day. These boys, like their peers, were eagerly awaiting the big game on Friday night.

BATTER UP!

Courtney, Kasey, Gracie, and Blythe all show their spirit on Twin Day as RWA softball players. These girls were always active and involved in all aspects of student life at RWA.

ATTEN-HUT!

Adrian Wilkes and Ben Morgan stand at attention for a quick picture. They borrowed their uniforms from their older Citadel brothers.

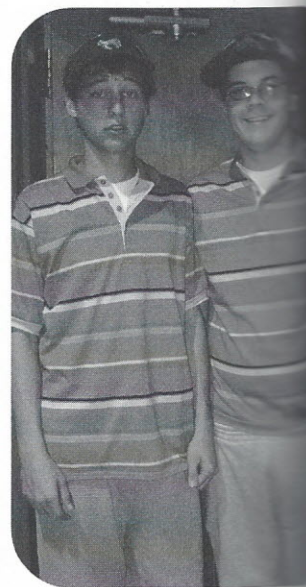

CAN YOU SEE ME NOW?

Mrs. Korn's first grade class poses for a group picture on Camo Day. They were one of many groups to participate in the dress up days of Spirit Week.

DOUBLE THE FUN

B. Walters and Isabel Korn dress as twins for Spirit Week. Strangely enough, "twins" ranged in varying sizes and ages.

DOUBLE TROUBLE

Sporting their stylish stripes, Cameron and Brenton Lyles alike on Twin Day. As team good friends, these guys shared more than the same striped shirt.
