EARTH DAY
 APRIL 22

TWO PEAS IN A POD
 Megan Brown and Reagan Railey are
 both athletic sixth graders. They
 worked together to earn the blue ribbon.

GET OUTTA MY WAY!
 Kindergartner Madison Wade hur-
 ries to the finish line. Even at such a
 young age, the kindergartners were
 already very competitive.

WORK WITH ME NOW!
 The sixth grade boys use all their might
 to triumph in this battle. They laughed
 and had a fun-filled time throughout
 Field Day.

IT'S GETTIN' HOT OUT HERE!
 Juniors Ry Foster and Brenton Lyles
 play off the heat with their cool,
 smooth moves. The younger kids
 looked forward to being in their group
 because of their spirit and bright per-
 sonalities.
