

MARY GRAY & LINDSEY

You've been together since way back when,
 You've always stuck together through thick and thin.
 You partied together with your grandmas and pops,
 You continued the tradition, thank goodness without the cops.
 You both have stinkin' brothers, you wouldn't trade for any others,
 But you still wouldn't have survived them if not for your mothers,
 Mary Gray had all the hair, while Lindsey had none,
 But when these two were together, they both had lots of fun.
 It's hard for us to believe how much you both have grown,
 And before we even know it you'll both be on your own.

Love,
 Mom, Dad
 & Mikay
