President of the
"Phillip" club... what
can I say. Its really fun
with you in Journalism
this year... and I know
you miss Lewis and I
bringing you lunch. Anyways...
you are an awesome athlete,
and I'm sure I will be watching
you on TV one day. Don't forget
about me next year... and especially
don't forget about me when you are
making millions one day! Good luck!

Well I don't know you
that well but you seem
like an awesome guy. I
know Jessica thinks so lol
Anyway, hope you have
a great year, I don't
think there's any doubt

William James Ladd Jr.,

Well what can I say -
it has def. been a
great 12 years w/ you in
this place. You are so
awesome at sports, but &
somehow you are good in school
even though you don't study &
make better than me. CWV was
so much fun w/ you & martin
y'all are pretty much the funniest
people ever. I just hope that
you keep Christ in your heart
b/c He's the only one that
will pull you through. Have
a fantastic year & have no
regrets. I love you forever
William!
