\*AA State Playoffs

1. The varsity volleyball team poses with their runner-up trophy. The team lost against St. Andrews; however, this was the first time a volleyball team from Richard Winn played for a state championship.

2. The starting players line up to shake hands with the other team and begin the volley.

3. Freshman Courtney Sink and sophomore Rebekah Harkins get ready to switch positions during a match.

4. Junior Jill Wagers is a valuable setter and works very hard the entire game.

## How did it feel to play in the State Championship?

### Holly Twitty

"It was heartwrenching as well, because we were the first team from Richard Winn to be in the volleyball championship. We busted our booties to get there, too!"

### Allison Coleman

"It was awesome, because it was my first year playing varsity! Next year, hopefully, we'll win!"

### Kasey Parris

"It felt great to actually go all the way to the State Championship! We won our first match, and it was a great feeling. But then their best player stepped up and dominated. I felt embarrassed when I couldn't hit over or around her. I couldn't block any of her hits because she could hit around me."
