## Square Where?

This year's Square Dance was anything but square. We asked a few students what the most unique thing about the dance was and why they thought it stood out.

- "I liked playing the games. I also liked the dances. I liked when we did the do-si-dol!"  
-John Coleman, 1st grade-
- "It was unique because it was the first time that we have ever had games. The games were a lot of work, but I think it was worth it. I also think it helped since our class made more money than they have in the past."  
-John Mark Mills, 11th grade-
- "The unique thing was that you combined the square dance and the fall festival together, and everyone had fun at it because of the combination."  
-Kris Cameron, 8th grade-

*"Dance like no one is watching. Live like it's Heaven on Earth." Mark Twain*
