"If you are kind people may accuse you of selfish, ulterior motives...be kind anyway. If you are successful you will win some false friends and some true enemies...succeed anyway. If you find serenity and happiness they may be jealous...be happy anyway. The good you do today, people will often forget tomorrow...do good anyway. Give the world the best you have, and it may never be enough...give the world the best you've got anyway. You see, in the final analysis, it is between you and God...it was never between you and them anyway." Mother Teresa
