What was the best thing about being on the team and why?

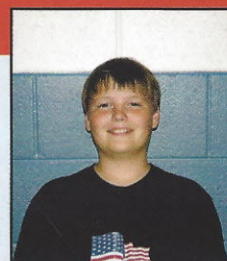

"The best thing about being on the Math Team this year was just being on the team. This being my senior year, I was just honored to be a part of it one last time."  
- Sallie Watford

"The best thing about being on the Math Meet Team was that we got to go out to lunch on a school day because we did well at the math meet."  
- Grace Wilkins

"Being a part of the High School Quiz Bowl Team this year was a wonderful experience. We worked hard and were rewarded with a trip to the state competition."  
- Sarah Burns

"I liked being on the Middle School Quiz Bowl Team because everyone worked as a team. We weren't against each other, and the glory went to the school."  
- Andy Taylor
