

As the junior varsity and varsity cheerleaders worked hard practicing stunts and cheers every week, it soon became obvious that they had progressed from last football season. In her inaugural year as RWA cheerleading sponsor, Coach Margaret Porter brought fresh new ideas to the squad. At each game and pep rally the girls cheered their hearts out while performing extremely well. They cheered loudly and clearly, no matter how hot or cold it was. The cheerleaders had great enthusiasm and tremendous spirit. Each individual did outstanding with every performance. Even though each member worked individually on the bus rides to the game, they all came together as one to unite the fans and players from the opening kickoff to the final buzzer.
