

During the 2004-2005 season, the JV boys won only one game. This year they were able to win eight games and beat a couple of 3A schools. The guys worked hard and showed improvement.

The JV girls worked really hard this year, as well. They enjoyed playing together as a team. It was exciting to see how much they improved over the past seasons.

The varsity boys started the year 12-0, and won two tournaments (Ten Governor's Classic at Wardlaw and Laurens Christmas Tournament). They struggled some after Christmas, and lost in the first round of the state playoffs. While it was a disappointing end to their season, they improved from the previous season.

The varsity girls had a fun year this year finishing in a tie for second in the region. They also finished 3rd in both the Governor's and Laurens Christmas Tournaments. They finished out the year by making the playoffs, though unfortunately losing to Calhoun Academy.
