

The golf team had a very successful season, finishing off the year with a 8-3 win/loss record. The team drove, slammed, and putted their way to AA State Runner-Up. They had fun together, and enjoyed watching each other's skills improve everyday. The golf team showed Richard Winn sportsmanship as they traveled to their away matches. The varsity golf team made many memories, and they are excited about playing again next year.

The varsity soccer team experienced much improvement under the direction of their new coach, Rob Brown. The team practiced hard, running, dribbling, and passing the soccer ball around for hours. Besides good communication, hard work was vital to the soccer team's improvement. Their wins serve as a testimony to their dedication to the sport. "We have established a good foundation for the future to build on," Coach Brown said about his team's performance.
