

# Many dreams were accomplished...

This year's soccer seniors and Coach Brown, along with the rest of the soccer players and fans, enjoyed a dream that was realized - a brand new soccer field. This field, positioned near the high school parking lot, was an extremely nice place for the varsity soccer team to showcase their stuff, and it didn't have to be shared with the baseball team.

The 2007 golf team reigned supreme, winning the State Championship Title for the second time in school history. This had been a dream for a very long time, and now this once distant vision is a dream come true! The varsity golf team drove, chipped, stroked, and putted their way into Richard Winn history.

The varsity baseball team has dreamed of a state championship for many years as well. Their pride was greatly strengthened when they defeated Dorchester for the AA State Championship in May. The entire Richard Winn community shared in the team's excitement. Coach Porter played on the first championship team in 1996 and ably guided the 2007 team to reach their ultimate goal.

# and many more are in the making. So join us as we dream on...
