

The Beauty of Nature

The amazing Angel Falls was a favorite spot for the ninth graders. The long hike to the Falls and the sight of such a pretty part of nature were well worth the rugged adventure.

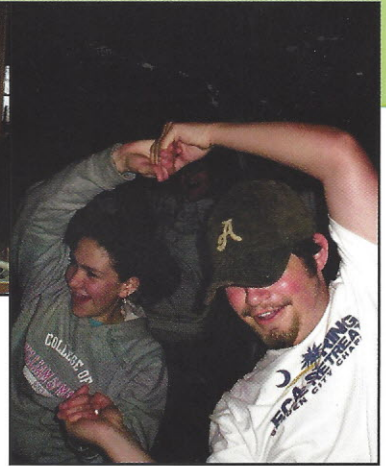

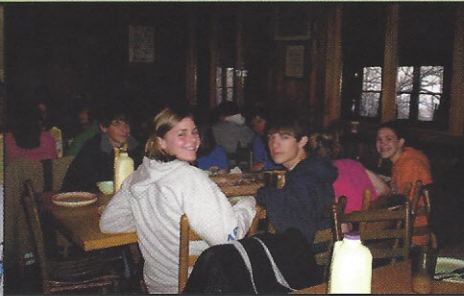

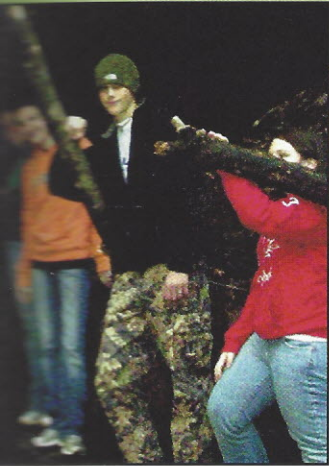

Lean on Me

These students participate in a group building activity. The trip to Camp Greenville bonded the class closer together while they also got to enjoy the great outdoors.

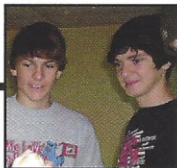

Climb That Pole

The ropes course provided a great deal of excitement and challenge for the ninth graders. With helmet and harness attached, this ninth grader smiles with confidence.
