**Kala Bell - 12th**  
 "I play volleyball to get a great workout and have fun with my volleyball friends."

**Grace Wilkins - 9th**  
 "I play volleyball because I love the feeling I get when I totally DOMINATE someone and get a block. I like it when girls after the game come up to me and say, 'Man you are a beast!'"

**Rebekah Harkins - 12th**  
 "Because I get to make awesome memories while playing a sport I love."

Why do you play volleyball?
