If you could live anywhere in the world, where would it be and why?

John Coleman
"South Carolina because it is not too cold."

Jaycie Johnson
"I would live in the Bahamas. I would swim with the dolphins, ride on the boats, eat with my family, and get beads in my hair."

Perry Anne Robinson
"I would live in the Virgin Islands. I would live there because it's very tropical, exotic, and volcanic."

Webb Yongue
