My best excuse for not having my homework was...

**Zack Wingard**

"A giant bird swooped down and took it out of my room."

**Britney Poland**

"I had it in my back pocket and it fell in the toilet and I flushed it."

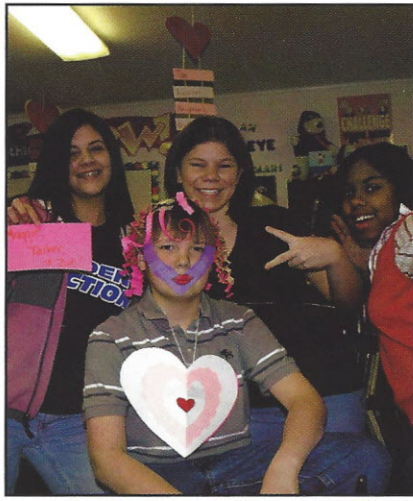

**Xaviera Johnson**

"My little brother took it and wrote his spelling words all over it."

**Justin Davenport**

"My baby sister ate it."

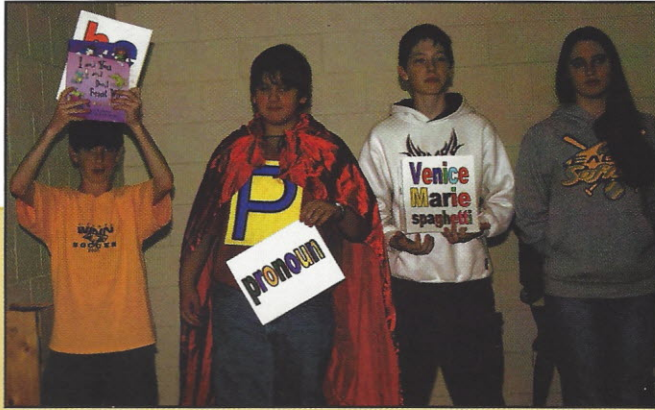

## Be My Valentine

Tanner, Maggie, and Xavier make a unique Andy Valentine. They put their creative skills together to create this masterpiece.

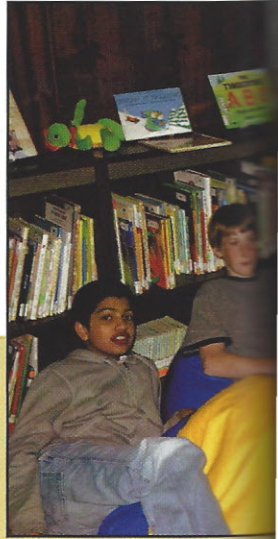

## What Is a Pronoun?

Crawford recites his lines to the audience while Cole, Derek, and Meagan wait their turns. Each middle school English class acted out a part of speech for the younger students.

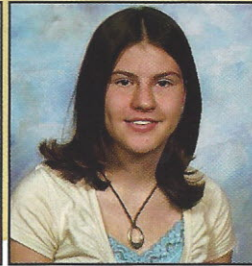

## Just Chillin

Neeraj and Zack take from reading to chill on bags in the library. They often provided a quiet for students to relax.
