

# Graduation

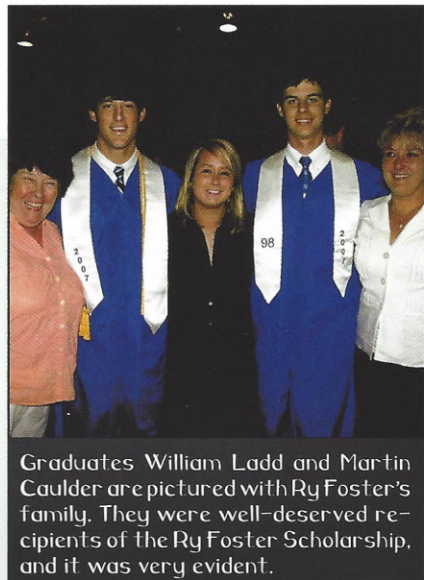

## EACH GOLDEN FUTURE CALLS

Price and Blythe Douglas finish turning their tassels to the left to signify completion of this phase of their lives.

After years of growing older and wiser in these halls together, Brittani Cook and Frances Rutland will continue their lives together, but this time as college students in Spartanburg.

Graduates William Ladd and Martin Caulder are pictured with Ry Foster's family. They were well-deserved recipients of the Ry Foster Scholarship, and it was very evident.

### "Good Night, Good Luck, and Sweet Dreams."

Valedictorian Nikhil Singal delivers the commencement address for graduation. His topic was the importance of striving for one's dreams, and it awakened a sense of optimism throughout the entire class.

### Leader of the Pack

Mrs. Bonds is awarded a token of appreciation from the class for her year of dedication and hard work. Although this was her first and only year at Richard Winn, Mrs. Bonds did an outstanding job, and both she and the RWA family adjusted perfectly to one another.
