

### Tossing the Tassels

The Class of 2007 excitedly toss their mortar boards into the air, commemorating the successful end of their high school education. This long awaited event brought both tears of joy and sadness as each senior "breaks away" from the RWA mold.

### Long-Time Dedication and Loyalty

Mrs. Nicholson listens tearfully as Mrs. Bonds shares appreciative comments and praise about her. After thirty-three years of dedication and love for RWA and its students, Mrs. Nicholson chose to retire, and a scholarship was given in her honor.

### Dedication is Rewarded

Adrian Wilkes, student body president, receives the Heart of the Eagle, one of the most respected awards of the night. This award symbolizes devotion and love to the school, and Adrian proved this throughout his thirteen years at Richard Winn.
