"I hope the days come easy and the moments pass slow
And each road leads you where you want to go
And if you're faced with the choice and you have to choose
I hope you choose the one that means the most to you

And if one door opens to another door closed
I hope you keep on walkin' 'til you find the window
If it's cold outside, show the world the warmth of your smile
But more than anything, more than anything

My wish for you

Is that this life becomes all that you want it to
Your dreams stay big, your worries stay small
You never need to carry more than you can hold
And while you're out there gettin' where you're gettin' to

I hope you know somebody loves you
And wants the same thing too

Yeah, this is my wish

I hope you never look back but you never forget
All the ones who love you

And the place you left

I hope you always forgive and you never regret
And you help somebody every chance you get

Oh, you find God's grace in every mistake
And always give more than you take
But more than anything, yeah more than anything

My wish for you

Is that this life becomes all that you want it to
Your dreams stay big, your worries stay small
You never need to carry more than you can hold
And while you're out there gettin' where you're gettin' to

I hope you know somebody loves you
And wants the same things too

Yeah, this is my wish." - Rascal Flatts
