

Rosemary Watts

Rosemary,

When you were in the third grade, you wrote that you had to go on stage and you were nervous. However, when you got up there, you weren't so nervous because you saw your mom and dad there. You wrote, "Whatever I do they will always be there for me."

Rosemary, we will be your warm and safe blanket that will always be there to comfort, love, protect, and hold onto forever.

Rosemary, we love you so extremely much and we are very, very proud of you. We couldn't ask for a better daughter.

You were a dream come true for us on October 16, 1989 and you are our dream come true now!

**Congratulations baby!
Love always and for eternity,
Mommy & Daddy**
