

# Adrian Wilkes

*'Another turning point;  
a fork stuck in the road.  
Time grabs you by the wrist;  
directs you where to go.  
So make the best of this test  
and don't ask why.  
It's not a question  
but a lesson learned in time.  
It's something unpredictable  
but in the end it's right.  
I hope you had the time of your  
life.*

*So take the photographs  
and still frames in your mind.  
Hang it on a shelf  
In good health and good time.  
Tattoos of memories  
and dead skin on trial.  
For what it's worth,  
it was worth all the while.*

*It's something unpredicable  
but in the end it's right.  
I hope you had the time of your life!"
