

# What routine do you follow before a football game?

**Trow Hazen- 11th**

"My routine is that I always wear the same undershirt that I don't wash the entire season."

**Cooper Muller- 11th**

"I leave school, go home, eat my Wheaties, and take a nap. When I wake up, I go into "Rudy" mode and get ready to play some football."

**Thomas Wilkes- 11th**

"The night before, I sleep with a game ball from my first varsity game. On game day I wake up, eat Fruit Loops with marshmallows, and drink four Gatorades. After school I eat at Subway, go home, and watch tv, then I go back to school and get ready to bust some heads!"

## A Good Exchange

Junior running back Thomas Wilkes receives the handoff from junior quarterback Myles Rowe. This combination proved to be a successful contribution to this Eagle team.
