

# Which was your favorite game this year?

**Billy Smith- Goalie**  
 "St. Francis Xavier, because of the shootout in the dark."

**Amelia Rosborough- #10**  
 "My favorite game was the first game of the year because it was my first time ever playing soccer, and I learned what a fun sport it is!"

**Caroline McMeekin- #4**  
 "My favorite game this year was our opening game against Byrnes. We had lost 9-0 in the previous year and beat them 4-3 this time around. Not only did we win before the baseball team, we also started the season undefeated."
