

# What was the most challenging course?

**Taylor Ingle - 7th gr.**  
"Great Falls, their course is nothing but hills and long grass."

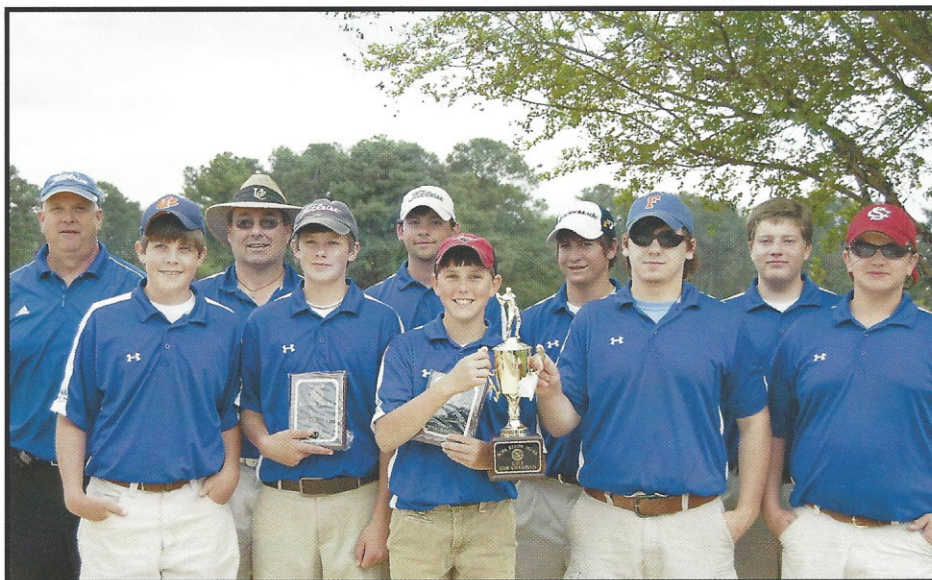

**Bryson Pope - 10th gr.**  
"Shaw Air Force Base because every time you went to hit the ball there was a jet taking off and making a lot of noise."

**Kyle Black - 8th gr.**  
"Persimmon Hill in Saluda because it is long and very well laid out."

## Eye of an Eagle

Addison Cudd, a sophomore, lines the ball up on the green. Addison's skills and experience on the various courses throughout these past two seasons have added to the success of the team.
