

A New Year, A New Look

The 2008 Varsity Cheerleading Squad started the year with a new look. The squad raised money during the summer to purchase brand new uniforms, shoes, pom poms and warm-ups. The girls were also busy with summer practice three times a week. During June, members from the Universal Cheer Association came and taught all new dances and cheers to the varsity and JV squads. UCA members also chose Jenna Burroughs and

Candace Walters as the varsity captains, and Morgan McDougald as the co-captain. Veteran members welcomed many newcomers to the team. "I think we became close as a squad," Candace said. While it was an exciting experience for many first-time members of the varsity squad, this season was bittersweet for others. The four seniors, Jenna Burroughs, Candace Walters, Amanda Owens, and Ashley Smith, will be greatly missed next year.
