

*"For each of, there's a moment of discovery. We turn a page, we raise a hand. And just then, in the flash of a synapse, we learn that life is elemental. And this knowledge changes everything. We look around and see the grandness of the scheme--sodium bonding with chlorine, carbon bonding with oxygen, hydrogen bonding with oxygen. We see all things connected. We see life unfold. And in the dazzling brilliance of this knowledge, we may overlook the element not listed on the chart, its importance so obvious, its presence is simply understood--the missing element is the Human Element.*
