

What have you done to get your teacher off subject?

Mg

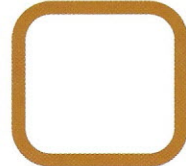

We asked Ms. Ladd about her dog's puppies and how much they cost, then we started talking about what type of puppies we like, and it kept going on and on.
Megan Guy

Bl

We would all ask Coach Copeland in algebra to tell us stories, usually about the Vietnam War. Although they wouldn't last all period, we all enjoyed hearing his stories, especially about the anaconda.
