

PLANT ONE ON ME

Mr. Caulder makes a silly face right before planting a kiss on the pig. Both principals had to kiss the pig since the lower school received so many reading points during the year.

THE THREE STOOGES

Jacob Smith, Matthew Tate, & J Talbert take a break from the festivities for a drink and a picture during the Square Dance. All three looked the part in their cute country costumes.

1. Coach Atkerson examines his new piggy friend right before the big kiss.
2. Matt Taylor and Jessica Douglas make their way around the gym while promenading.
3. Rebekah Timms and Ivy Wilkes discuss with Lee Renwick and Landon Caulder how one of the games is played.
4. Lauren Elder and Callee Thigpen smile while having a great time doing the Virginia Reel.
