

"If we had no winter, the spring would not be so pleasant; if we did not sometimes taste of adversity, prosperity would not be so welcome." -Anne Bradstreet

FROSTY THE SNOW MAN

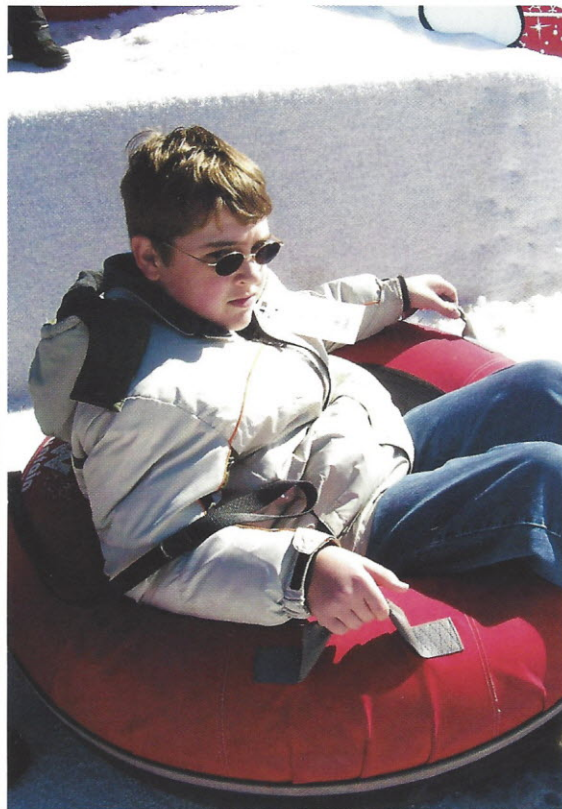

Marion Walker Coleman, Grier Hensley, Perry Anne Robinson, and Ally Robinson build an admirable snowman on this wintry day. The 5 inches of snow that fell in Winnsboro on February 12th was the first and last of the 2009-2010 winter.

READY AND WAITING

Seventh grader Logan Robinson patiently waits his turn to propel down the slope. Sledding is a fun pastime during the winter season.

SISTER ACT

Sisters, Carson Justice and Meredith Melton, show their love for each other during their Christmas vacation. During this special season, Richard Winn families shared many cherished moments like these.

Katie Smith joyfully mails her Christmas list to Santa Claus.

Savannah and Cameron Medlin enjoy this rare snow day by sledding down a steep hill at a friends house.

Ainsley and Anna Grad Martin take a trip to visit Santa.
