

A Change of Pace

HIGHER EDUCATION

Morgan McDougald, Rebecca Connor, Kristen Keller, Kelly Cooper, and Kayla Branham smile with Dr. McCants after seeing *A Winter's Tale* at Bob Jones University. The Fine Arts and English classes attended this production after studying works of Shakespeare.

THE GREAT OUTDOORS

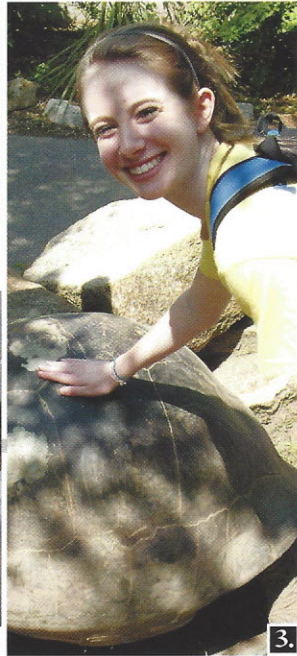

Ainsley Martin and Summer McCoy show off the many strawberries they picked while at a strawberry farm. The first and second graders take this trip annually as a way to get out of the classroom and learn more about the nature that surrounds them.
