GETTING A HEAD START

Mason Adams, McKenzie Wilson, and Samantha Rabon get together after a Coach's Pitch game at Drawdy Park. Drawdy Park always offers Richard Winn students the opportunity to get involved in sports at early ages.

Anna Grey Walters, her two friends, and her sister hang out and get some sun while on the beach over Spring Break.

Sara Dennis enjoys the nice weather while outside on the playground.

First graders Dru Caldwell and Ainsley Martin pick strawberries together while on a field trip with the rest of their class.
