Trying to Reclaim the Championship

The 2010 golf season brought great promise that Richard Winn may walk away from the school year with at least one State Championship.

Led by Coach Kenny Atkerson, the Eagles played a total of 14 separate matches and tournaments. The golf team was very successful during the regular season with only three losing matches tallied. Entering the State Tournament in Myrtle Beach at Quail Creek Course, the Eagles were threatening contenders with such an impressive recent history and record. After two days of

playing various top SCISA teams that equally matched the Eagles, region opponent Oakbrook Prep captured the State AA title by only a few strokes.

Veteran player Bryson Pope commented on the season, "We had a good season, but it would have been great to have won a championship as a senior."

All in all, the golf team had another very successful season. As the team will be graduating four seniors from their six player team, next year may well be a building and recruiting year for the RWA golf team.
