

Kayla Denise Branham

With my hands, Lord,
may I work for You.
With my heart,
may I always be kind.
With my eyes,
may I search far and wide
for the good
You would like me to find.
With my mouth,
may I speak loving things.
With my ears,
may I hear what is true.
With my mind,
may I be wise enough
to live my whole life for You.
