

John David Hunter

The greatest day in our lives was when we held our baby boy. We were the proudest parents in the world, and you made our life complete. We have watched you grow into a fine young man. This year you graduate. We would like to tell you, "Set your sails high, son, and see your new world. We want you to live, laugh, and love, and your new world will be a great place to be. John David Hunter, we will always love you, and may God be with you always."

With All Our Love,
Mama Terri and Daddy Judd
