

# CHRISTMAS PROGRAM:

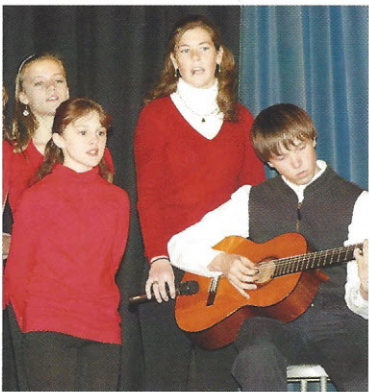

## An Annual Event of Seasonal Melodies

A Christmas program would not be complete without the appearance of dear 'ol Santa. This time the jolly 'ol fella came disguised in Miller Stuck's body.

● Travis Bonds and Brinson Baker were selected to portray the parts of Mary and Joseph in the kindergarten program. ● Dru Caldwell, Zack Taylor, and Marshall Gibbons give an outstanding performance as The Chipmunks. ● Looking a bit perplexed, these kindergarten reindeer await the appearance of their fearless leader, Rudolph.

● Emily O'Connor and Wyatt Raley, aka Mary and Joseph, are joined by angels Autumn Keys and Juliet Pineada in the manger scene. ● Anna Grey Walters, Sarah Grier Thompson, and Cassie Rae Cantrell, dressed as carolers, narrate the secular portion of the program.

Enrichment chorus, drama, and guitar students combine talents to help make another memorable Christmas program.
