B-Team Basketball Action Resumes

Headed up by Coach Jason Haltiwanger, the youth B-Team intramural program was re-born after being absent from RWA for several years. This year's program offered 4th -6th graders the opportunity to learn and to improve their basketball skills on Saturdays and during half time of several home varsity games during basketball season. The co-ed teams were given pro teams names - Heat, Bulls, Lakers, and Celtics.
