## Taking Time to Learn Outside the Text Book

● Boyd Ellison prepares to send the arrow to the target. ● Tara Peak and her shagging partner Coker Gilbert tear up the dance floor. ● Alexa Karoly, Lauren Faust, and Chloe Dawkins concentrate during their Enrichment class. ● Mrs. Taylor watches on as a snake is shown to the students. ● Reid Johnson shows his precision while practicing archery in the gym. ● Dalton Haney enjoys some down time while Logan Gibbons administers infant CPR to the doll dummy. ● Rebekah Timms excitedly views a common part of SC wildlife, the snake. ● Mason Gibbons and Mark Carroll play some tunes during Advanced Guitar. ● The second graders enjoy this Enrichment period as they make beaded bracelets as directed by 4-H leader Allison Coleman. ● Jesse Stidham and Anna Cooke diligently work on their art "masterpieces."

Megan Simpson and Perry Ann Robinson jam out during **Guitar Class** on one of the many Enrichment Fridays. Most of the pictures taken on these days were taken by Mrs. Ladd Enrichment photography students.
