

Team. If anything, this year's Lady Eagles basketball team was more of a family. They had a stellar, near perfect season, ending with a trip to the State Championship and a 30-1 record, all the while giving the glory to God. There will be many good things to come for this group of girls. While they will most certainly miss standout senior Alex Maass who scored over 2700 pts. in her career at RWA, this team is driven by a fire for success, and they will be a force to be reckoned with next year as well.

What was the best part about making it to the State Championship game?

Being able to experience such an amazing opportunity with such outstanding girls. We grew as a family and that's why we went to state. I personally believe that God works in outstanding ways.
