

Fun for All Ages

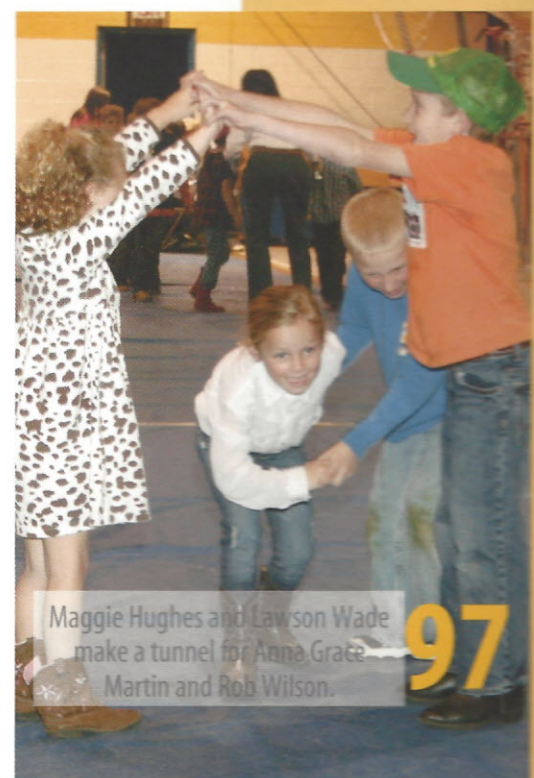

One of the favorite moments of the whole night is the Parent-Student dance. During this time, any parent who knows how to square dance is welcomed to the floor to dance with their child. With the help of Mrs. Ellen Nicholson, the unofficial instructor and caller of every dance, the square dance is an enjoyable event each year.

Seth Williams celebrates as he wins one of the many cake walks.

Junior Reid Johnson "swings his partner (7th grader Grace Wilder) round and round" during the students' dance. Freshmen Ryane Railey and Matt Taylor also join in on the fun.

Maggie Hughes and Lawson Wade make a tunnel for Anna Grace Martin and Rob Wilson.
