**Sons are a heritage from the Lord,
children a reward from him.**

- Psalm 127:3

To Our Dearest Dalton,

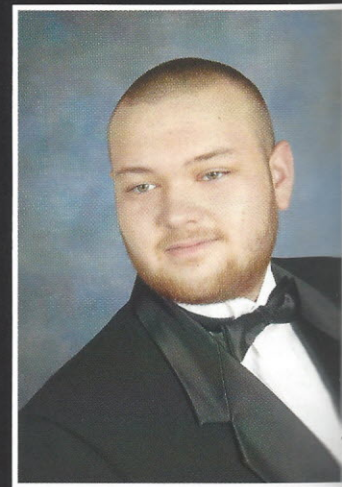

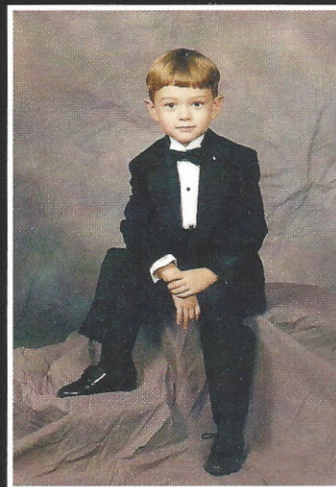

You know that you are very special to us. We knew that you were destined to be great, even as a baby. Although you were a bad little boy, you have grown into a delightful gentleman. You don't know how often people come to us and say you are a fine young man.

You were born with all the unique abilities, knowledge, and talents you need for your mission in life. You don't need to compare yourself to anyone else. Just be yourself and start shining.

We are so proud of you. We love you. Remain confident in who you are. You are great and will be the greatest at whatever you pursue in life.

You should also know that your sister thinks you are great. She cherishes the time you spend with her. Thanks for being a terrific big brother.

We love you,
Mom, Dad, and Jennifer

Congratulations, "BIG MAN!"
You will always be our little Trey!

We Love You!
Ba Pa and Ma Mama
