Dear Alex,  
How quickly the years have flown by but, WOW! what amazing memories we've been able to pack into them! You have seen, experienced, and accomplished so many wonderful things on so many levels to this point in your life and we are excited to see where God leads you next. We've been so very proud and blessed to watch you grow into the hardworking, intelligent, confident, funny, quirky, athletic, humble, and beautiful young woman of faith and character you've become! Sharing in your happiness as you graduate and watching you step into your very bright future. Always walk confidently in the direction of your dreams, never forget where you came from, and never forget whose hands are holding you. **GO TIGERS!!!**

We love you so much!!!

Mom, Dad, & Drew

Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in faith, and in purity.
