

Getting a Richard Winn class ring is a big to-do. Every year, September rolls around and the junior class begins to get excited. Ordered in the spring of the previous school year, the arrival of class rings is a long awaited moment for every junior. This was the second year the ring ceremony was not held on school grounds. Instead, the ceremony was held on Tuesday, September 23rd at the Bethel ARP Church behind the Town Clock in Winnsboro. With the help of class sponsors, Mrs. Missy Taylor and Mrs. Joanne Padgett, Dr. Clyde McCants, and Head of School Dr. Nancy Coleman, the evening was an event to be remembered. Many juniors felt as though the ring ceremony was "The Beginning of the End." With the ring comes the promise of senior year and graduation. Receiving their rings was just one more sign that the class of 2014 is already one step closer to graduation day.
