

# Boot Scootin' [boogie]

When it comes to square dancing, Richard Winn students know all the right moves. Through the years, students have learned all they know with the help of caller Mrs. Ellen Johnson. The annual Square Dance, sponsored by the junior class, is an event for all ages and enjoyed by students, teachers, and family alike. This year there was a country store and many carnival-style games to entertain those who felt they had "two left feet." Two teachers getting "pie-d" in the face was another popular attraction and helped to raise funds for the juniors.
