

Music to Our Ears! The fourth graders play their pre-recorders. Under Mrs. Howell's direction, they worked hard all school year and learned numerous songs.

Sing Out Strong! Travis Bonds, Brinson Baker, Lily Baggott, and Peyton Patrick have a brief stand-out moment in their class musical. The first graders sang songs about the months of the year.

Surprise Surprise! Samantha Wilkes, on behalf of the third grade class, presents Mrs. Nicholson with a thank you in the form of flowers. Mrs. "Nic" worked diligently with the lower school students and, as always, prepared wonderful music programs.

All Smiles. While leaving the stage, Alivia Martin and Charlie Bonds smile at their classmates. Although the students enjoyed performing for their parents, finishing the program was almost the best part.
