**Ya Up.** Taylor Ingle helps out Corey Davis with his bowtie. Athletic Banquet was the perfect place for the male and female athletes to show off their fancy, non-athletic uniform attire.

**All Hands In.** The Lady Eagles varsity basketball team, along with head Coach Haltiwanger and Coach Taylor, proudly display their newly-earned rings. Each team member eagerly and impatiently waited to receive their championship rings as the finale of the evening's awards and recognitions.

**A Special Thanks.** As a veteran football and golf coach, Coach Atkerson receives a token of thanks from Athletic Director Joe Pitt. "Coach A," as he is affectionately known by his former players, wore many hats during his tenure at RWA.

**Congratulations!** Coach Callie Ladd hands over one of two Most Improved awards to an excited Nancy Blair Gonzalez. After her first year of playing volleyball, receiving this award was quite an honor.
