

Square Dance

Swing Your Partner

The annual Square Dance is a much anticipated and well-attended fundraising event hosted by the junior class. Mrs. Ellen Nicholson and Mrs. Kerry Matthews taught and practiced the various dance moves with the students prior to the dance night and directed the dance calls during the event. Like always, the event was full of fun for all ages and helped the juniors raise money for the Prom, too.

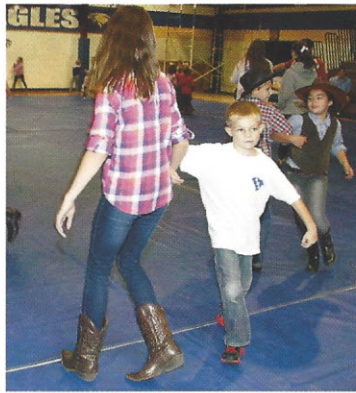

Swing Your Partner. Kit Nicholson swings his partner during the Polka dance. The Polka is one of the many popular dances performed at the annual Square Dance.

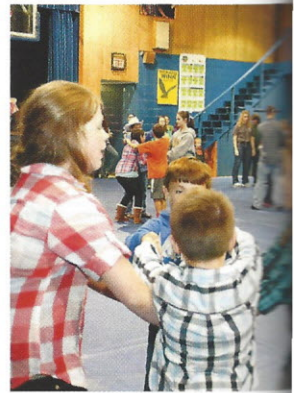

Spin Like Thunder. A lot of students get ready to spin like thunder. A fun dance that everyone involved, "Spin Like Thunder" is one of the favorites during the Square Dance.

Come on over Here. Austin Costenbader pulls Lexi Blanchett back into the circle. Everyone thoroughly enjoyed getting to dance with people from different classes.

Promenade. Hannah Gibbons and Seth Williams promenade together around the circle. The Square Dance is always a lot of fun for all ages.

Walking under the Bridge. Matt Taylor and Leila Bostrom walk under the bridge as Sarah Grier Thompson smiles at the camera. This dance is called the Virginia Reel.

Strut Your Stuff. Perry Anne Robinson spins under Levi Davis's hand as they dance to yet another favorite of the night, the Heel Toe Polka. Many students participate in this fun and lighthearted dance.
