

JV Volleyball

Not Just for Spike

The JV Lady Eagles volleyball team greatly improved in more than just one way this year. They practiced hard and improved their skills and always stayed focused no matter what. With such a great record, these girls were very proud of their hard work, and needless to say, their season was a success under the direction of Coach Callie Sims.

1. Cali Swearingen focuses while she following through with her powerful arm swing! 2. Kennedy Elliott makes a pass to her setter while playing left back. 3. Reed Elliott makes an overhand pass from the back row. 4. Grier Hensley gets low to pass the ball to her teammates during a home game. 5. Gracie Atkerson intently focuses on her toss as her arm comes through to serve it over the net.
