

Middle School Girls Basketball

Developing the Future

The middle school girls team consisted of many veteran players and beginners as well. Like any other sports team, they were looking to have a better season than the previous year. As the season progressed, the girls improved their skills and developed the basics of a true team.

1. Gracie Atkerson runs around Victoria Bostrom to go to the hole.
2. Sally Costenbader slips past a defender taking the ball to the hoop.
3. Hannah Gibbons flies past a guard to make a lay up.
4. Caleigh Caldwell looks to pass the ball inside the paint.
5. Cassie McKeown takes a jump shot.
6. Lydia Wilder gets the easy lay up against Spartanburg Day.
7. Emy Russell looks to make the shot while Riley Simpson boxes out to get the rebound.
