

Middle School Boys Basketball

Saving the Best to Last

Throughout the season the middle school boys worked hard and left it all on the court. They fell short in a few games and lost a few in the last minute. However, the boys managed to win the last game of the season and go out in style.

1. Lane Bickett sets a screen for Will Carvalho to drive the ball to the hole. 2. Jai Sanders muscles the ball up and makes the layup. 3. Peyton Gilbert jukes out a defender while Hudson Wade runs past. 4. Cooper Swearingen shoots over a Spartanburg Christian guard. 5. Ethan McManus pulls a jumper while being doubled down on defense. 6. Marshall Gibbons pulls up to make the basket. 7. Bradden Steele prepares to get the rebound from the free throw shot.
